Figure 1 consists of eight panels (A-H) arranged in a 2x4 grid. The top row (A-D) shows green fluorescence, and the bottom row (E-H) shows red fluorescence. Panels A and E include scale bars. Panels B and F are labeled 'GREEN' and 'RED' respectively. Panels C and G show the same field of view as A and E, but with different fluorescence patterns. Panels D and H show the same field of view as B and F, but with different fluorescence patterns.
